Re: United States v. Jason Neal
No: 08-CR-0086 (MGC)(S-1)

Dear Judge Cedarbaum:

The undersigned respectfully requests that the matter scheduled before the Court be adjourned as my client indicates a desire to proceed to trial. Accordingly, I request that the Court set forth a scheduling order so that the undersigned can submit a formal application seeking to suppress evidence obtained as a result of an unlawful search and seizure.

Mr. Neal indicates that neither his girlfriend nor he gave any consent to search the premises. It is believed that in the absence of a valid consent, the Government will fail to establish that there was probable cause to effectuate the seizure and search which took place.

Based upon the foregoing, it is respectfully submitted that the relief requested herein be granted in its entirety.

Thank you very much for your time and consideration in this matter.

Very truly yours,

PAUL S. BRENNER, ESQ.
